 - (b) my Materials are not novel or original.
2. That any part of the submitted Materials which are not novel or original and not legally protected may be used by MRP without any liability to me and I herein waive any and all claims and/or rights of action against MRP arising from such use.
3. That I rely on my rights under the copyright laws of Canada and that MRP has no obligations to me (other than those obligations required by copyright law), unless and until a formal written agreement is entered into, at which time such obligations shall only be those expressed in such formal written agreement.
4. That I represent and warrant to MRP that the Materials are original, that no other persons have any rights in the Materials, that I am the sole owner and author of the Materials, that my use or MRP's use of the Materials does not contravene the rights of any person and that I have the full right and authority to submit these Materials to MRP.
