

STATEMENT OF POLICY

of

MOUNTAIN ROAD PRODUCTIONS LTD.

Concerning Unsolicited Submissions of Scripts/Program Proposals and other Materials

We appreciate the courtesy of our viewers and professional people who suggest materials including scripts, program proposals, ideas and literary materials for our use. However, we receive many suggestions that duplicate or are similar to those previously made either by members of our own staff or by others. Moreover, we may commence using materials similar to yours that we have received after the date of your submission.

It has, therefore, become necessary for us to adopt a policy of refusing to consider any submitted materials unless the person submitting such materials signs the Agreement attached to this Statement of Policy. Enclosed are two copies of the Agreement. If the Agreement and the terms and conditions set out therein are acceptable to you, please complete the Agreement and sign same in the space indicated in the presence of a witness and return one copy to us.

Yours very truly,

MOUNTAIN ROAD PRODUCTIONS LTD.
